Brighton

Today's Style and Edwardian Elegance

A contemporary revival has created single-level style and excellent street appeal in a central location. Every room reveals the best of two eras. Living zones are full of light, and two bedrooms have floor-to-ceiling wardrobes and a sense of spaciousness. The heart of this well-designed home is the family room, opening onto a deck. The lounge or possible 3rd bedroom is relaxed and inviting, with a window seat. Stone benches are on show in the kitchen, and the designer bathroom features a walk-in shower and marble vanity. Easy walk to trains, trams, Elwood's cafes, Elsternwick Park and the beach.
