Breathtaking Beachside Masterpiece

Breathtaking Beachside Masterpiece

Custom designed and meticulously crafted to the highest specification this grandly proportioned 4 bedroom 4 bathroom masterpiece sets a new standard for beachside luxury. Offering luxurious family living that is both opulent and elegant with a focus on relaxed and refined entertaining there are multiple living spaces on both levels, all beautifully appointed with the very finest of finishes. The array of premium Gaggenau appliances in the kitchen is outstanding whilst a full sized home theatre room with seating for 8 will delight the family and guests alike. Discerning buyers will note the double garage, low-maintenance block and comprehensive selection of contemporary comforts including zoned heating & cooling, hydronic slab heating and double glazed windows tinted for privacy & comfort. Even more impressive is the superb location with the beach literally metres from the door.
