Single-Level Luxe Revival

A high standard of features, finishes and refinement has created single-level style at its finest in this idyllic four-bedroom and study home. Edwardian character and contemporary quality, the bonus of a generous family room, and an address near schools, the beach and Bay St add up to exclusive living. Standout design has created a classic lounge, large casual living, and a superb kitchen with Stone Italiana and stainless steel benchtops. A wall of double-glazed doors opens out to the undercover deck and garden, there's many quality inclusions, and the low-traffic hideaway address is near Firbank and Brighton Grammar.
