An Opulent Touch of Class

An Opulent Touch of Class

Polished to perfection, this sumptuous town residence is in the Balwyn High zone. Luxurious marble surfaces, travertine tiling and European Oak parquet are elegantly enhanced by lofty ceilings. The sophistication enjoyed in the dining/family room with chandelier and gas log fire is complemented by the desirability of a Miele/marble kitchen and a private alfresco. A stylish living room sits upstairs, alongside two bedrooms and a master with dual-vanity ensuite, WIR and balcony. The ground floor bedroom with dual-access ensuite is ideal for family or friends. Stroll to Deepdene cafes, primary schools and the tram to private schools.
