## Newly Renovated and Exceptional

A brilliant renovation brings luxury and refined elegance to this central address in the heart of Hampton. What was once a classic weatherboard house is now a light-filled home with a new sense of style. Quality shows in the lounge and study zone, family room with French windows and doors, two new bathrooms and three bedrooms. The interior is instantly relaxing with timber floors, plantation shutters, gas log fireplace, and prestige finishes in the bathrooms and kitchen. Smart planning has created a basement cellar and workshop. Perfect location with schools, Hampton St's cafes, Thomas St Reserve and transport nearby.
