## Designer Revival Close to the Beach

Quality-focused renovation has transformed this classic home into a deluxe retreat, and the result is spectacular. Metres from the beach, the single-level 3-bedroom and study design blends old and new beautifully. The private garden is a natural extension of the family room and gourmet kitchen, opening onto a north-facing terrace. A second living area is the perfect relaxation zone. Stone benches, a Smeg range and farmhouse sinks are just some of the excellent kitchen features. New weatherboards encase the exterior, there's double-glazing, oak flooring, and timber paneling. Exclusive location near schools and Church St.
