A Stunning Transformation With Outdoor Entertaining Appeal & Mountain Views

Recreated as a totally contemporary residence behind beautifully landscaped gardens & a classic period facade, this stunning century old 5 bedroom, 2.5 bathroom home raises the bar for renovated sophistication. A superb sense of style escalates throughout the open-plan design, with a luxurious stone kitchen complementing a skylit dining area and spacious lounge, which unfolds through bi-fold doors to a covered entertaining alfresco (built-in BBQ, sink, bar fridge and OFP) with spectacular Dandenong Ranges views. Luxuriously appointed with a study nook, heating/AC, powder room, multi-purpose room/gymnasium & off street parking, walking distance to trams, buses, shops, parklands, PLC and Deakin.
