Extravagant Expression of Modern Design and Pure Indulgence

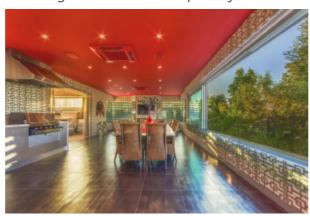

Extravagant Expression of Modern Design and Pure Indulgence

Put simply this home is a work of art. A resplendent example of contemporary design, juxtaposed with the warmth of natural finishes, this dream 75sq home is a sensory overload that will leave you speechless. With features of extravagance such as double-glazed gas filled industrial glass windows, artisan glass feature lighting, exotics woods and precision surfaces, every fitting and finish is the finest available, of which were specifically sourced to ensure the epitome of quality and luxury has been achieved. This is arguably Geelong's finest contemporary home.
