Single-Level and So Close to Everything

Easy-care and exclusively located townhouse is ready for relaxed living in a prime location. Updated and enhanced two-bedroom residence has open-plan living, the luxury of a spacious deck, and a low-maintenance design. One of only three residences metres from Bay St, recent updates have created a new-look bathroom, stone benches and a two-drawer dishwasher in the kitchen, and bifold doors linking the living zone to outdoors. The combination of single-level design and a central address makes this ideal for downsizing or acquiring your first Brighton home near Firbank, Brighton Grammar, cafes, trains and the beach.
