Family Appeal with Future Potential

On the edge of Harp Village, near Hays Paddock, schools, tram, bus lines and freeway access, this charming single level period home is generously proportioned, light-filled and superbly presented. Dimensions offer immediate family appeal while its deep northeast facing allotment provides enormous scope to extend or rebuild (STCA).

Wonderful period features including Baltic pine floors and high ceilings characterize the L-shaped hall, gorgeous formal room with open fireplace and four bright double bedrooms accompanied by a bathroom and powder-room. The well appointed modern kitchen and spacious living and dining room open to the deep private and leafy northeast garden.

Ideal to enjoy now while considering the options, it also includes ducted heating, split system air conditioner, laundry, storage, cubby house, garden shed and off street parking.
