## A Peaceful Haven in Hampton

Delightful, charming and light filled, this two bedroom family abode on a sizable allotment of 469sqm (approx.) in a quiet and leafy Hampton pocket is perfectly livable now, yet presents an exceptional opportunity to extend, renovate or to design and build a new home (STCA). Displaying a clever optimisation of light, the appealing interiors feature original details such as timber floors and exquisite decorative ceilings, while outdoors lies an expansive north facing backyard. Living quarters comprise two spacious bedrooms, and a well appointed kitchen, central bathroom and off street parking add further appeal.
