Brighton East

Prestige Style in a Prime Position

Deluxe design and a central address with shops metres away make for easy living at its finest. The synergy of style, a six-star energy rating and four-bedroom, three bathroom plus powder room spaciousness are a feature of this prestige offering in this sought after low traffic street. A ground-floor living zone with French oak flooring opens onto an entertainer's deck, and the kitchen excels with a large Bosch induction cooktop and oven, and Liebherr fridge and freezer. Master bedrooms feature on both floors with two ensuites and a two-way bathroom. An upstairs retreat overlooks the private north facing garden secured by remote-control gates, internal and external alarms, automated blinds, plumbed water storage, and six-zone heating and cooling.
