Hampton Grandeur in a Prized Location

Contemporary spaciousness, original grandeur and superb street appeal await in central Hampton, metres from cafes and near schools and transport. "Silverton" retains its elegance and matches it with a large family room, classic lounge, well-designed study with three workstations, and a generous kitchen. Indoor-outdoor design is inspired, with the family room and dining area opening onto a deck, pool and leafy garden. Four bedrooms include a ground-floor main, with the most recent renovations in 2017. Look forward to summers by the pool, open fires during winter, and a design that can adapt as your family needs change.
