City Living; Country Style

Set securely behind an unusually broad frontage, this graceful Edwardian home combines all the charm and character of its era with a wonderfully contemporary feel. A spacious living room opens out to fabulously deep North West private garden. The 'country style' kitchen with its expansive garden vistas operates as the true hub of the house and exudes a wonderful sense of ambience and relaxed family living. Complete with 'cubby house', chook pen, sheds, storage and off-street parking, this is a special home. Something for everyone now - and potential for a grander vision for the future (STCA). Land: 1,075sqm approx.
