Brighton

Remarkably Private Bay St Sanctuary

This absolutely flawless, two bedroom apartment is a refined sanctuary that has been architecturally up-dated with intelligent storage solutions as designed by Minett Studios, making it a pure joy to live in. Revealing a Miele-equipped kitchen with 90mm stone benches, a sleek under-mount sink and premium soft close cabinetry, the open plan living area flows beautifully to a balcony bathed in morning sun. The bathroom is particularly vogue with a walk-in shower and floating wall-mounted vanity, whilst both bedrooms offer well-designed built-in robes. A part of the incredibly quiet '380 Degrees' building with a high proportion of owner-occupiers, secure basement parking, video entry and elevator access, the home exudes a sense of secluded tranquillity. Simply head downstairs to find a fully-equipped Coles supermarket, great cafes, bars, restaurants, a cinema and North Brighton Railway Station with its promise of easy city commuting.
