Contemporary Vision with a Luxe Edge

Innovation and exceptional design are perfectly paired in this like-new townhouse. Built by Bayline Constructions, four-bedroom and study residence delivers easy-care living at its most stylish. Two living areas are cleverly divided with a sliding door to create effective zoning, and they flow through to the deck and garden. Siemens appliances add a premium element to the kitchen and butler's pantry, with a combi-steam and self-cleaning ovens and a coffee machine. North-facing study, excellent main bedroom with walk-in wardrobe and ensuite, keyless entry, security cameras, and minutes to cafes, trains and schools.
