Contemporary Style Meets Classic Charm

The enduring charm of Edwardian architecture has been beautifully enhanced by the addition of contemporary style to create a captivating single level domain that superbly caters for modern inner urban lifestyles near High St, Chapel St, schools, trams and Windsor station. The traditional solid brick façade reveals an equally classic Baltic pine hallway leading to two beautiful bedrooms with open fires and a stylish bathroom. Polished concrete floors are a feature of the generous living/dining room with open fire and superb kitchen which opens to a deep private northeast garden and freestanding studio/3rd bedroom with kitchenette/laundry and bathroom. Land size: 238sqm (approx.)
