With an impressive attention to detail, the home's large kitchen / meals hosts Miele appliances, generous stone benches and even an alcove study, all opening to a spacious lounge / dining with a balcony, whilst the bedrooms each have robes and there are two fully-tiled and vogue bathrooms with under-floor heating. Also offering reverse cycle air conditioning and ducted heating, custom joinery throughout, pure wool carpets, Royal Oak timber flooring and Somfy automated blinds as well as secure intercom entry, two undercover parking spaces and a substantial storage unit. This peaceful leafy streetscape in one of inner-suburban Melbourne's premier positions will reward you with easy access to cafes, a supermarket, city-bound public transport and some pretty local parks.
