Outstanding Potential in Prized Location

Encompassing a substantial allotment, this Bayside address with two street frontages presents a spectacular and rarely available opportunity to occupy, renovate or design and build a brand new family home or multi unit development (STCA). The existing accommodation includes three bedrooms plus study, two bathrooms and significant living spaces arranged across two levels. A leafy rear garden and pool complements the sizeable alfresco entertaining area. Also includes a spacious kitchen, well appointed laundry, sauna and offstreet parking for two cars.
